

# Helping women help themselves.

[www.TemuxMayanArtisans.com](http://www.TemuxMayanArtisans.com)

Temux Mayan Artisans is an artists' cooperative of Mayan women living in the highlands of Guatemala. Begun with the assistance of Peace Corps volunteers in 2009, we make one-of-a-kind morrales as a way to gain extra income for our families to provide better healthcare and education. We speak Q'anjob'al (a Mayan dialect) and Spanish, wear traditional dress, and live an agrarian lifestyle.
